Dated the 6<sup>th</sup> of August, 2013

To

1. Director, All India Institute of Medical Sciences, Bhopal
2. Deputy Director (Administration), All India Institute of Medical Sciences, Bhopal
3. Financial Advisor, All India Institute of Medical Sciences Bhopal
4. Medical Superintendent, All India Institute of Medical Sciences, Bhopal
5. Superintending Engineer, All India Institute of Medical Sciences, Bhopal
6. Administrative Officer, All India Institute of Medical Sciences, Bhopal

**Subject: Filling up of additional 2936 sanctioned posts in the All India Institute of Medical Sciences, Bhopal, through *ad hoc* Committees for Selection constituted, process to be followed etc.**

Sir,

I am directed to say that creation of posts in each of the new All India Institute of Medical Sciences (AIIMS) under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) had been recommended by the Expert Committees. Department of Expenditure, Ministry of Finance had agreed to the filling up 1145 posts in the 1<sup>st</sup> Phase and sanction was conveyed vide letter No. Z-28016/69/2013-SSH dated 4<sup>th</sup> April 2013 with the following guidelines.

- a. Constitution of the *ad hoc* Committees for selection of Group A, B and C posts and related framework, methodology.
  - b. Continuation of the Project Cells and posts.
  - c. Applicability of Rules and Regulations.
  - d. Meeting the expenses on selection process.
2. Now, the Ministry has received the agreement of Ministry of Finance, Department of Expenditure vide MoF DoE I.D. No.95711/E.C.I./2013 dated 10/07/2013 for filling up of further 2936 posts as detailed in the Annex. With the approval of Hon'ble Health & Family Welfare Minister it has been decided that for meeting the functional requirements of the AIIMS, recruitment to these 2936 posts as mentioned in the Annex be made by following the methodology/process prescribed earlier vide letter No. Z-28016/69/2013-SSH dated 4<sup>th</sup> April 2013. Hon'ble Health & Family Welfare Minister (President, AIIMS) has also approved the continuation with the earlier constituted *ad hoc* Committees on Selection and, issuance of these instructions.
3. Through the aforesaid letter of the Ministry it had been mandated that AIIMS, New Delhi would receive all online applications centrally. Later on it was modified that each new AIIMS would receive applications online through their respective websites. This will be continued.
4. Institute Body for each new AIIMS has been formed. Framing of Rules and Regulations for each new AIIMS would be as provided under the AIIMS Act 1956 and AIIMS (Amendment) Act 2012. Till such time Rules and Regulations are framed for each new AIIMS, Rules and Regulations of AIIMS New Delhi would apply as already approved and communicated. It is also reiterated that decisions taken in various Bodies / Committees of AIIMS, New Delhi, such as the Institute Body, the Governing Body, Standing Finance Committee, Standing Selection Committee etc. do not apply to the new AIIMS which is a separate Institute under the AIIMS (Amendment) Act 2012.
5. With the concurrence of IFD and approval of HFM, 515 (107+408) posts had been authorized to be filled as job outsourcing basis by the new AIIMS vide letters No. A-11013/1/2010 dated 25<sup>th</sup> August 2012 and 30<sup>th</sup> April 2013. These 515 posts are included in the 2936 posts (Annex) for which agreement of MoF has been received and are hereby communicated.
6. It is also noted that the new AIIMS has not reported recruitment even of a single person till date, despite the fact that 1145 regular posts and 408 outsourced posts, were released on 4<sup>th</sup> April 2013 and on 30<sup>th</sup> April 2013 respectively. This is a serious matter and the Director of Institute may attach more seriousness to early filling of the posts sanctioned in a transparent manner and strictly in accordance with the instructions conveyed. The Director is also made accountable for meeting the August 2013 deadline of starting the IPD sections of the Institute Hospital. Monthly review mechanism by PMSSY Division would be continued and would

include matters such as preparedness for MBBS classes, BSc Nursing classes, start of hospital, functioning of OPD, recruitment of Faculty and Staff, Curriculum/Teaching/Examination uniformity, expenditure management, empowered review committee for deviation/variation in contracts, compliance of MoHFW directives, internal audit etc.
